PRELIMINARY AMENDMENT

Commissioner of Patents  
Washington, D.C. 20231

Sir:

Prior to examination on the merits, Applicants hereby request that the following remarks be entered into the above-captioned application. Applicants submit concurrently herewith: (a) a Request for Continued Prosecution Application Transmittal; (b) a Fee Transmittal Sheet; and (c) a Petition for Extension of Time for three (3) months up to and including January 27, 2002. Please amend the application as follows:

In the claims:

Please add the following new claim 102:

- C1  
Sub  
D6
102. (New) An isolated protein comprising a polypeptide selected from the group consisting of:
- (a) a polypeptide consisting of amino acid residues +1 to +371 of SEQ ID NO:2, in which 1 or more amino acid residues are substituted, deleted or added, in any combination and wherein said polypeptide binds an antibody specific for the polypeptide of SEQ ID NO:2;
  - (b) a polypeptide consisting of a fragment of SEQ ID NO:2 which fragment has immune cell proliferative activity and in which 1 or more amino acid residues are substituted, deleted or added, in any combination; and

21  
Sub D6  
(c) a polypeptide consisting of a fragment of SEQ ID NO:2 which

fragment has immune cell proliferative activity and in which 1 or more amino acid residues are substituted, deleted or added, in any combination and wherein said polypeptide binds an antibody specific for the polypeptide of SEQ ID NO:2.
